AMENDMENT

Sir:

Supplemental to the filing of the above-identified application as a Continued Prosecution Application (CPA), and to the filing of the Amendment telefaxed to the patent Office on September 1, 1998, kindly amend the above-identified application as follows:

IN THE CLAIMS:

Kindly amend the following claims:

27. The use of facsimile machines, and/or facsimile modems internal to an office product, to create a scanning capability from a facsimile machine to a component; with data transferred in a conventional way, and without manipulation, or modification of the original signals, said devices being directly connected and isolated from a connection with [to] a telephone line.

28. The use of facsimile machines, and/or facsimile modems internal or external to computers and various office products, to perform a scanning function, and being connected by
